NOTICE OF TENTATIVE APPROVAL NO. M/041/008  
BEFORE THE BOARD OF OIL, GAS AND MINING  
DEPARTMENT OF NATURAL RESOURCES  
STATE OF UTAH

IN THE MATTER OF TENTATIVE APPROVAL OF THE MINING AND RECLAMATION PLAN SUBMITTED BY UNITED STATES GYPSUM COMPANY, SEVIER COUNTY, UTAH

THE STATE OF UTAH TO ALL OPERATORS, TAKERS OF PRODUCTION, MINERAL AND ROYALTY OWNERS, AND PARTICULARLY ALL PERSONS INTERESTED IN SECTIONS 14, 15, 21, 22, 23, 28, 29, 32, AND 33; TOWNSHIP 22 SOUTH; RANGE 1 WEST; SLBM, SEVIER COUNTY, UTAH.

Notice is hereby given that tentative approval was given by the Division of Oil, Gas and Mining, on September 22, 1987, to United States Gypsum Company to continue surface mining operations in Township 22 South, Range 1 West of Sevier County Utah.

The name of the mining operation is the Jumbo-Jensen Quarry, and the person representing the company is Mr. James Jennings, Quarry Superintendent, P.O. Box 120, Sigurd, Utah 84657.

United States Gypsum Company has fulfilled obligations under the Utah Mined Land Reclamation Act of 1975 (Section 40-8, UCA, 1953, as amended) with specific reference to Section 40-8-13 and will employ the following mining and reclamation techniques on approximately 155 acres of private land.

**During Operations**

Haul roads will be constructed to the deposit, and the gypsum will be quarried in 20-foot benches. Gypsum rock will be loaded on trucks and hauled seven miles to the plant for processing. Available topsoil and overburden will be stockpiled for future reclamation.

**Following Operations**

Reclamation of mined-out areas will be performed at a rate of approximately ten acres per year for the next ten years. Reclamation of the quarries is to consist of regading of the waste material into the quarry area, placement of soil material, ripping with a dozer, and reseeding with native vegetative species. Haul roads which do not have a postmining use will be ripped and seeded, and water drains will be installed as necessary.

Any person or agency aggrieved by this tentative decision is hereby requested to submit written protest within thirty (30) days of the date of publication to the Division of Oil, Gas and Mining, 355 West North Temple, 3 Triad Center, Suite 350, Salt Lake City, Utah 84180-1203, setting forth factual reasons for his or her complaint, and thereafter, at a time and place to be established, appear before the Board of Oil, Gas and Mining to show cause, if any, why this mine plan should not be approved.

Dated this 22nd day of September, 1987.
